I am the eldest Son of Chief George Koma who was killed six years ago in the recent war at Liberia, by some political imgrates. Before he died he was the owner of Koma and sons Diamond Company in Liberia.

After the death of my father, I and my mother quickly rush into my fathers private warehouse and took away (Two trunk boxes One containing \$20, million dollars , and the Second one containing 10kgs of Diamond) .

It was a male diplomat that assisted us to escape to Lome Togo, where we are presently in a refugee camp. Sequel to our discussion this evening I and my mother has agreed that we send the consignments to you in your country, since we can no longer live under the terror of Africa.

Friend, the two trunk boxes are now in a private security company near Lome Togo international airport awaiting shipment. Dear Sir, what we want you to do for us is to send us your Full name and address also your private phone number to enable me and my mother get all necessary documents needed to get the consignments delivered to your door step through diplomatic means .
