Goodday,

My names are Mrs. Irene Cesarec. I was diagnosed of cancer about 2 years ago, and was receiving treatment for it, but now the doctors are saying I have a short time to live.

When I was in better health, I never really cared for any body with no children of my own and a late husband I was a selfish and greedy person. I have decided to donate the sum of \$10.8M to you, so you can disburse to charities, widows, orphans and less privileged. I was doing this myself but now my health has deteriorated, I wanted my relatives to do this for me but they only saw it as an opportunity to enrich themselves.

I will be going in for an operation soon, I want this last act of mine to be an offering unto God, perhaps he will have mercy on me. Please contact my lawyer with the below:

Henry Townsend Esq

Quote my ref # : will/Wlaw/Pn/lr/93/ytx/ when responding.

I am sending him a copy of this message as well so he is aware of my intentions, Please use the funds well and always extend the good works to others.

Stay blessed,
Mrs. Irene Cesarec.
